GRAPHIC DESIGN

"BRANDING"

LOGO

CORPORATIVE IDENTITY

After the logo is designed, I develop visual concepts to inspire and explore how the logo can be applied across different areas.

DIGITAL ART

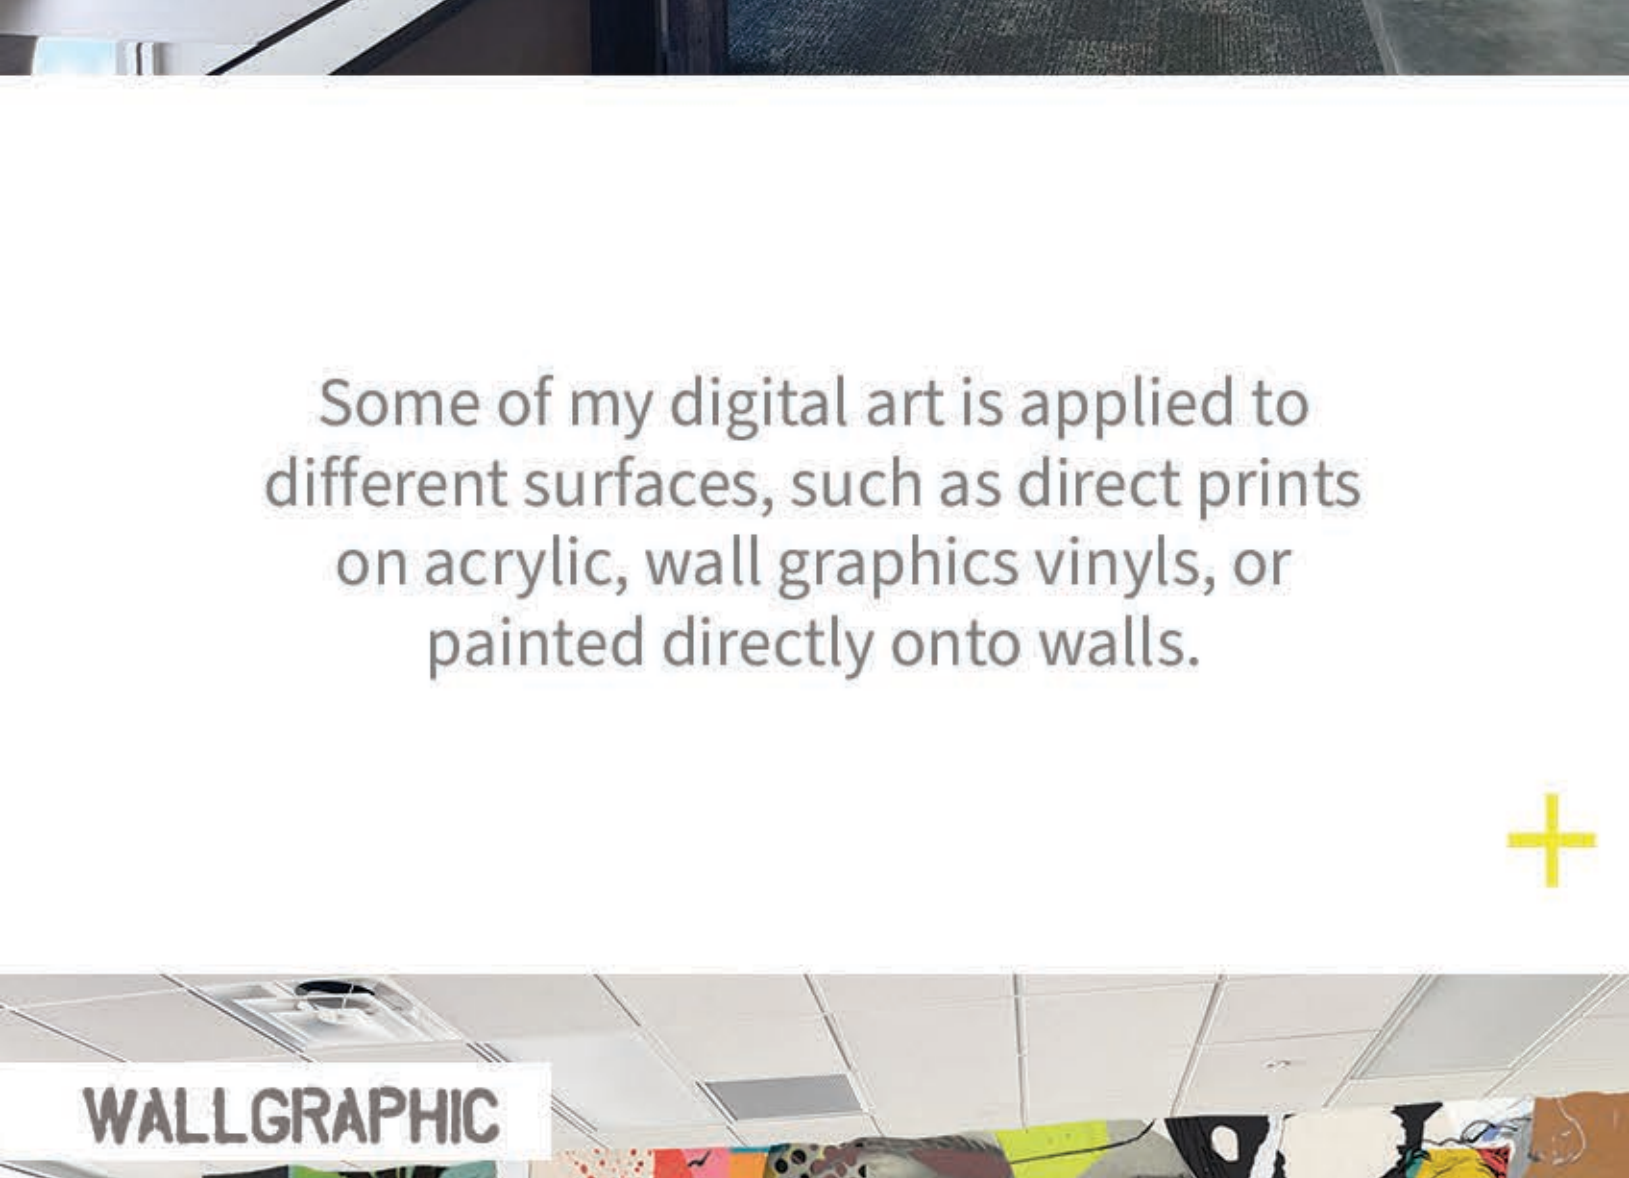

"COLLAGE"

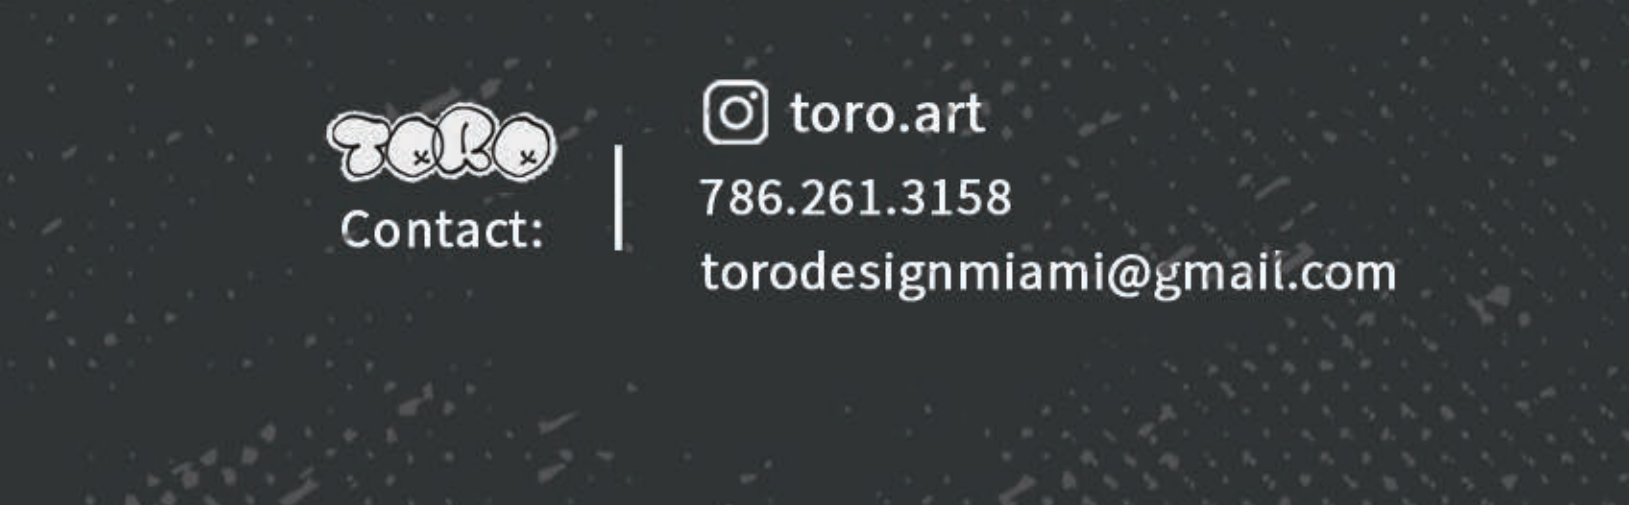

I blend various art styles and tools to produce artworks, integrating multiple programs through digital technologies.

ACRYLIC

Some of my digital art is applied to different surfaces, such as direct prints on acrylic, wall graphics vinyls, or painted directly onto walls.
