

WELCOME TO DEJOHN'S ITALIAN SPAGHETTI HOUSE!

Established in 1965, *DeJohn's Italian Spaghetti House* has been a local favorite of downtown Fredonia for decades and it's all thanks to Mama Mary DeJohn's signature homemade secret recipe sauce and Italian dishes. Arriving to the United States from Valledolmo, Italy in the early 1900s, Mary's parents brought very little with them however, the one thing they did not leave behind were their recipes that they shared with their children. Frank DeJohn, the original owner of the restaurant, is the son of Mary. He along with his wife Shirley, ran the business until 2008. Shirley, in turn taught the recipes to their daughter Lisa and when Frank and Shirley, retired, Lisa and her husband Randy purchased the business. They continue to operate the restaurant as it has always been, serving not only the classic family recipes, but also regional and American favorites.
