

## SUPPORT FOR SOLO MUM SOCIETY

City Fertility is Australia's largest IVF group on a global platform with 16 clinics, over 70 consulting locations and over 60 specialists nationwide. We are committed to providing you with excellence in fertility care and IVF, cutting edge technology and most importantly, a personalised approach to treatment.

**The good news is there is a lot we can do to help people with their fertility health and to have a family.**

UP TO **55% OFF** OUT-OF-POCKET FEES\*

### Forward-thinking businesses in Australia are now championing inclusive benefits for their employees.

- **Female and male infertility**  
One in six couples in Australia have difficulty conceiving, with both female and male factors contributing equally. The good news is that fertility treatment may help.
- **Improved success rates**  
One in 18 babies in Australia are now conceived by IVF, one in 10 for women aged 35+. Overall live birth rates for each embryo transfer have increased from 22% in 2010 to 28% in 2019 (ANZARD 2019).
- **Global leaders**  
City Fertility are one of Australia's leading IVF and fertility service providers with a global presence.
- **Rainbow families**  
We are also very proud to include Rainbow Fertility, Australia's first IVF provider catering exclusively to the LGBTI+ community. City Fertility/Rainbow Fertility also have their very own sperm and egg banks Addam and Eevee.

### As your preferred fertility provider, City Fertility offers:

- ▶ **\*Exclusive 20% discount** off up-front treatment costs which may equate to as much as **55% off** total out-of-pocket expenses for fertility treatments.  
\*T&Cs apply
- ▶ **Free resources:** newsletters, webinars, podcasts, and face-to-face-workshops
- ▶ **Confidential free mini-consultation** with one of our Fertility Advice Coordinators, to ask questions one-on-one via our corporate partners Fertility Advice Hotline

# Pricing Estimates

**Fertility Wellness Benefits discount applies to:** Intra-uterine insemination (IUI), In Vitro Fertilisation (IVF), Intracytoplasmic Sperm Injection (ICSI), Egg freezing, Sperm freezing, Frozen Embryo Transfer (FET), Sperm assessment and related andrology services. Freeze fee includes 6 months complimentary storage of embryos and/or gametes.

Services	Usual out-of-pocket expense	Employee/member price (Estimated out-of-pocket expenses after 20% discount and Medicare rebates where applicable)
Fertility chat with a fertility advice coordinator or nurse specialist (telehealth or face to face)	Free	Free
Insemination preparation (IUI)	\$ 922	\$ 723
IVF Cycle*	\$ 4578-4878	\$ 2040 - 2840
Frozen Embryo Transfer*	\$ 1968	\$ 1252
Chill Egg Freezing	\$ 5200	\$ 4160
Sperm Assessment and Freezing	\$ 100-660	(20% off prices vary)
Storage fees for eggs, sperm and embryos (first 6 months free) - annual fee provided	\$ 515	No discount available

**Terms and Conditions:** Fertility Wellness offer is available to all employees/members of corporate partners and extends also to any direct family members. Discount excludes specialist laboratory fees TESA, TESE, donor sperm and eggs, day hospital/procedure center fees, anesthetist, on-going storage fees and fertility specialist fees associated with fertility treatment. 20% cycle fee discounts are applied prior to any Medicare rebates and so actual out-of-pocket cost reductions may be as high as 55% off when compared to usual out-of-pocket pricing without Fertility Wellness Offer. Items with asterisk (\*) may be eligible for Medicare rebates. Final out-of-pocket costs will vary depending on patient's individual circumstances, individualized treatment plan, location and relative to Medicare eligibility and safety net thresholds. Prices are subject to change without prior notice and are provided as a guide only. Only one discount may be applied per treatment. Fees current as of 1st January 2024.
