

Train n Play

Our day training program has been such a fun time! Similar to doggie daycare, dogs get to play in social groups throughout their day and get that energy out. We then do individual training sessions with each dog to meet the needed training goals.

Classes!

We have soooooo many classes coming up! Make sure to check out the class schedule and see if any of our upcoming classes fit in your schedule. Classes include: Basic Manners, Puppy S.T.A.R. Advanced Manners, Tricks and MORE!

Puppy Socials

Puppy Play Hour is every week Wednesdays at 6pm for a fun hour of puppy socialization. During this hour puppies are learning a variety of cummunication and social skills.
