LENNY'S LEGACY

2024 GOLF OUTING

TO BENEFIT THE WALK 2 END ALZHEIMER'S

SATURDAY, JUNE 29TH, 2024

Lenny's Legacy was a group formed during the pandemic in 2020 to help support the Cleveland Walk 2 End Alzheimer's. Since inception, we have raised over \$70,000 for the Alzheimer's Association of Greater Cleveland. This disease touches so many people on so many levels. It is our mission to help find a cure.

Lenny's Legacy is a group of family and friends of Len (Lenny) Gaertner and our extended families. Our dad was a Lakewood firefighter for 30 years while holding several other part time jobs to help support his and Rita Ann's 6 kids. In 2014, Lenny was diagnosed with frontal lobe dementia. The disease progressed slowly and eventually our dad succumbed to it in 2017. The one major passion our dad had in life besides his family and faith was golf. We thought there is no better way to honor him and help others suffering from this disease than to host a golf outing.

Last year was a great success and we are hoping again for your support. Whether you are a returning sponsor, or a new one, we will make sure to let all of our attendees know how wonderful you are. The sponsorship levels are listed on the next page and if you would like to participate in a different way, please reach out to myself and we can arrange anything.

If you choose a sponsorship and would like to include your logo, please email to teamlennyslegacy@gmail.com. We are also very happy to design signage for you.

Again, if you donated or sponsored us last year, THANK YOU so very much! We have one goal and that is to find a cure and help end this disease.

Sincerely,

Rita C. Gaertner
