Building Healthy Families: In today’s culture, death is often suggested as the answer to life’s most challenging situations – including the challenge of an unplanned pregnancy. The world tells a scared and confused mother she can make her situation better by ending her child’s life through abortion. We Christians have a better option: tell her that she and her baby are both seen, known and loved by God. Tell her of Jesus’ love, mercy, and forgiveness. Then love her like family, support her in choosing life; offer tangible help like transportation, meals, childcare, diapers, clothing, and other household items. Continue your support through the pregnancy and long after. There is joy in living out 1 John 4:19 – We love because he first loved us! www.LutheranFamilyService.org Lutheran Family Service
