**Building Healthy Families:** *Husbands, listen up!* Did you know that 90% of effective communication is listening, not talking? When your wife is talking to you, stop what you are doing, turn toward her, and look at her face. Communicate the message that you are interested in and care about what she is saying. This is respectful, courteous, and is one way to build a great relationship! *Wives, want to build up your marriage?* Stop and think about your husband's gifts. (No, not the ones he gave you for your birthday!) What are his talents? What are his spiritual gifts? What does he love to do? What are his aspirations and accomplishments? Recognize them, name them, and communicate your respect for them...to him and to others. It will help build a great relationship! **Lutheran Family Service -** [www.LutheranFamilyService.org](http://www.LutheranFamilyService.org).

**A Life Thought in the Church Year for April 24 – Easter II:** The patient gentleness of Jesus with Thomas extends joy to him and not judgment. In like manner the Savior's forgiveness embraces also hearts guilty and grieving because of aborting their own children or accelerating their parent's death. "Peace be with you," Jesus says to you who have participated in violence against life, "receive My absolution and My Holy Spirit." Come, praise Him who has made you precious alongside men and maidens, infants and aged (Psalm 148:12)!
