**Building Healthy Families:** God is the Lord and Giver of Life at all ages and stages. Yet many countries and seven of our United States have now legalized Physician's Assisted Suicide, allowing a person with a terminal illness to receive a lethal, life-ending prescription medication from their physician to end life on their own terms. Iowa is targeted as one of the next states to consider this legislation. Guised in soft words such as compassion and self-determination, this practice cruelly exploits the fear of suffering and the frustration felt when we cannot restore to health those whom we love. It not only usurps authority that belongs to God, but also opens a wide door to abuse of frail and dependent elderly, disabled adults, and children and those with mental illness. It also puts insurance companies in the position of withholding life-saving treatment for anyone because the "cheapest" treatment for anyone will always be death. LFS is committed to educating others about this critical, emerging issue. To learn more contact LFS Life Advocate Rev. Dr. Jim Lamb (jlamb@lutheranfamilyservice.org) to arrange an educational event in your community. **Lutheran Family Service** - www.LutheranFamilyService.org.

## A Life Thought in the Church Year for October 30 – Pentecost XXI

**(Proper 26):** Many who have participated in the abortion of their own children believe they have committed an unforgivable sin. When we fail even to speak its name and extend God's atoning grace to it directly, we become as guilty as them. What relief is theirs—and ours—in acknowledging our Lord's forgiveness: No sin stains so deeply that Jesus cannot cleanse us (Isaiah 1:18).
