dogs will be provide, bring a side, salad, or desert to share.

Building Healthy Families: Attention parents, grandparents and pew buddies!
Our sanctuaries and worship spaces are rich in design and decor that point us to
Jesus. This is helpful to children and adults alike, engaging multiple senses to
tell the story of our place in God's family and our salvation. Next time you find
yourself near a little one who is squirmy or unsettled, take notice of the details
around you. Maybe you engage him or her to spot and count the crosses
throughout the room, trace the embossed lettering or symbols on a Bible or
hymnal with your finger, or locate and study a piece of art (painting, stained
glass, banner, etc.). This practice of grounding settles the nervous system and
can help to focus us the reason we are in worship - to receive God's gifts!
