Building Healthy Families: Trauma, emotional distress, or mental illness negatively impact many people, including those within our church fellowship today. When it does, we are often left searching for answers without knowing where to find help, especially help that will share and incorporate the important tenants of our Lutheran Christian faith. Lutheran Family Service offers professional mental health counseling with master’s prepared and licensed therapists who share your faith and world view, now available to all regardless of location through telehealth. Call us...it’s why we’re here! **Lutheran Family Service** www.LutheranFamilyService.org
