Building Healthy Families: It is a challenging time to be a parent, perhaps
especially a father. Our culture takes every opportunity to malign fathers, and
popular media often goes out of its way to portray them as undependable,
immature, and ineffective. Yet an endless stream of research (not to mention
God's Word and our own life experience) clearly identifies the vital role of
fathers in the lives of their children. Fathers, don't give up! Take heart and
persevere – you are not alone! “Be strong and courageous. Do not be terrified;
do not be discouraged, for the Lord your God will be with you wherever you
go.” (Joshua 1:9) Happy Father's Day- You are appreciated and so greatly
loved! **Lutheran Family Service** www.LutheranFamilyService.org

**A Life Thought in the Church Year for June 15 – Festival of the Holy
Trinity/Father's Day:** The Maker of heavens and earth has the nature of
fatherhood and sonship. Begetting and parenting belongs to His distinctive and
eternal character. No greater wisdom, insight, or answer exists for any
circumstance of humankind—surprise pregnancy and terminal diagnosis
included—than the goodness of delighting in children and parents—embryo,
elderly, or otherwise—and submitting ourselves to their welfare.
