Building Healthy Families: What percent of people in your congregation are
adopted? If you guessed anything less than 100 percent, you're wrong. *"But when
the fullness of time had come, God sent forth his Son, born of woman, born under the
law, to redeem those under the law, so that we might receive adoption as sons."*
(Gal. 4:4-5) In today's culture, adoption is often seen as a last resort for infertile
couples; a way to find a child for the couple. A Biblical view of adoption is child –
not couple – focused. LFS' adoption ministry exists to find loving, Christian married
moms and dads who will provide a stable home and life-long relationship of love
based on Christ's example for every child who needs one. Is God calling you or
someone you know to such a loving plan? Learn more at
