Building Healthy Families: Attention, all worry warts - does this thought pattern sound familiar to you? *God's Word tells me not to worry (Matthew 6:25), and I feel like an even bigger failure because I can't stop worrying.* Good news for all worry warts...you're not alone! Lutheran Family Service counselors are available to help you break through this pattern, even if you've dealt with it your whole life. Through a combination of education (helping you understand where your worry comes from) and building a few new skills (teaching you practical ways to respond to worrisome thoughts so they no longer have free reign in your head), solid mental health education and support consistent with God's Word and the Christian faith is helpful. Call us. It's why we're here! **Lutheran Family Service** www.LutheranFamilyService.org

A Life Thought in the Church Year for May 25 – Easter VI: Surprise pregnancy, infertility, disability, or terminal diagnosis sometimes hide the sanctity of life. But humankind's Heavenly Bridegroom beholds every member of our race as beautiful, blessed, and special (Revelation 21:7). His Word helps us see every neighbor with the same gracious eyes that regard us beloved. What joy will be ours when our mouths give voice to our vision – and invite our whole society to share!
