Building Healthy Families: Someone somewhere counted, so now we know that on average, a child smiles about four hundred times each day. Smiling - and a happy heart - are known to bring health benefits including decreased stress hormones in your bloodstream and lower blood pressure. Smile often this week and enjoy the many benefits! “*A glad heart makes a cheerful face, but by sorrow of heart the spirit is crushed.*” *Proverbs 15:13* **Lutheran Family Service** www.LutheranFamilyService.org
