YUVA has specially emphasised its training in the field of Computer Literacy, Ready-made Garment making/ tailoring and Beautician Course and the entire programme was structured to uplift women employability in the aforesaid work areas. YUVA has actively provided a One Time Support for Medical Consultation Support to the families and children with poor mental health.

YUVA has now further wished to work closely on uplifting 2 (two) Birhore Colonies (Primitive Tribal Communities) in Hazaribagh and to attain the goal, YUVA is in close association with StockHolding for the success of this noble cause.

YUVA is consistently working for the marginalised sections of the society since the last decade. Their strategic work modules have helped in upliftment as well as empowerment of the above-mentioned targeted groups; and therefore the undersigned is pleased to recommend YUVA for attaining all future endeavours.
