

TO WHOM SO EVER IT MAY CONCERN

Dear Ma'am/Sir,

It gives us immense pleasure to share that Youths Union for Voluntary Action (YUVA) has been associated with Sightsavers for more than 2 years to implement various projects in the district of Ramgarh and Hazaribag. We were informed that YUVA has been shortlisted for a project titled "Regeneration of Traditional Dhokra Tribal Art Through Long Term Sustainability and Economy at Scale". With the support of Sightsavers, YUVA has done exemplary work to ensure livelihood for persons with disabilities in the district of Hazaribag. Over these 2 years of association with Sightsavers, YUVA has accomplished all the set targets, both quantitative and qualitative and maintained very high standards of financial control and project management practices.

We hereby recommend that YUVA possess adequate skillset to implement community based livelihood project and may be considered for further support in ensuring livelihood for the needy persons in the district.

Best regards

Sudipta Mohanty
