

Free Pathway Session

**Reframing
Child
Development:**
What if it is a
difference, not
a delay?

Diverse

Pathways

FOR EARLY CHILDHOOD

Free
Pathway Session

What is covered in the session...

- A powerful reframe of child development beyond **typical milestones**
- Insight into why some children are seen as “behind” when they might actually be on a **different developmental** path
- An introduction to **neurodiversity-affirming practice** and what it looks like in action
- A **preview** of the upcoming **Diverse Pathways of Development** project launching this October
- An **invitation to join live training** and explore the full guidance from November onwards
