

Diverse

Pathways

FOR EARLY CHILDHOOD

Community contributors

Learn, share, and connect

- Attend free launches, webinars, and open discussion events.
- Submit **guest blogs, reflective pieces**, or **case studies** through our online form.
- **Share Diverse Pathways materials locally (with credit).**
- Receive **digital assets** to show your support as a community contributor.
- Signpost and promote **Diverse Pathways**.

Collaborators

Co-create and contribute

- Engage in diverse pathways as a contributor, reviewer, critical friend or endorser.
- Join a **3-month working group** meeting.
- **Co-write, review**, or **pilot** new materials.
- Attend online meetings with set development themes.
- **Trial tools** and give structured feedback to inform future versions.

Core Collective

Guide, review, and evolve

The core collective refers to those who have been part of the collective since it originated, and are now critical friends, reviewers, contributors and endorsers.

Trial Partners

Implement and inform

We will be offering **Diverse Pathways Trial Partners**. This is a year long opportunity to work with Kerry Murphy on developing Neurodiversity-Affirming Practice in your setting:

- Whole setting training
- F2F Support Visits (up to 3)
- Online Meetings
- Ongoing Mentoring and Coaching

(London and surrounding areas)
