October 8, 2025

Dear Members of the Wilmerding Community Center,

The Borough of Wilmerding is grateful for the many years the Community Center has served as a place of recreation, connection, and support for our residents and families. It has been a true gathering place that reflects the spirit of our town.

After much thoughtful discussion, the Wilmerding Borough Council has made the very difficult decision to temporarily close the Community Center effective November 1, 2025. This decision comes as a result of expenses related to the ongoing pool repairs. At this time, identifying the full scope of repairs will take both time and significant financial resources, making it impossible to continue operations.

Please know this decision was not made lightly. The Borough Council deeply values the Community Center and the role it plays in the life of our community. It is our sincere hope that the Center will reopen in the future, once the necessary repairs can be completed and the facility is ready to once again serve our members.

We thank you for your support, your patience, and your care for the Community Center during this time of transition. We remain committed to working toward solutions that will allow the facility to reopen and continue its tradition of service to Wilmerding and the surrounding communities.

With gratitude,

Kelly Maxwell

President

Wilmerding Borough Council
