WCC ANNUAL CAMPAIGN "Matching Grant Challenge"

Like most non-profits, the WCC depends on contributions & donations to help us do more with facility improvements while offering new programs & services for the overall good of the communities we serve.

Once again, our good friends & Partners from ALLEGHENY PETROLEUM have agreed to MATCH DOLLAR FOR DOLLAR up to \$20,000 for our Fund Drive. So every dollar we raise throughout November & December will be DOUBLED through the "Matching Grant Challenge".

This is an excellent opportunity for the WCC *to not only raise needed funds BUT to also share with others what an important asset the Community Center is to the east suburbs.*

Please consider a **tax deductible donation** and HELP the WCC extend its reach to all. Thank You!
