

WCC MASK POLICY:

- 1) MASKS ARE NOT OPTIONAL.
- 2) Masks MUST be worn when entering, leaving and moving *anywhere* about the building.
- 3) Masks must be worn properly, covering the nose and chin.
- 4) Masks are NOT required while using the equipment, during an aerobics class or in the pool at this time, but is subject to change per CDC Guidelines.
- 5) Masks MUST be worn when having a conversation with another person – EVEN if you live in the same household.
- 6) Masks MUST be worn while walking around *anywhere* thru the building – including the upstairs fitness center and locker rooms, but are not required in the shower area.
- 7) Anytime you are 6ft or less - in a circle around you - from another person your mask must be worn unless you are actively working out on a machine, weight station, class or in the pool.
- 8) Members are expected to comply with staff requests regarding masks and the social distancing policy.
- 9) The WCC Staff will alert you when you are in violation of any of the policy requirements so that you may correct yourself.

Our aim is to keep this building open and usable to all. These policies help to maintain safe operations.

Thank you for your understanding and support.

Peter McGinty

Executive Director

Wilmerding Community Center
