

At the Wilmerding Community Center

Thursdays 3:00 pm – 5:00 pm

Have an interest in learning to knit?

Already know how to knit?

**Crochet**, but want to join – You Can!!

**ALL ARE WELCOME TO JOIN!**

If you already have your own knitting needles and yarn,  
you can just show up because you are all ready to go.

If you need materials to start, the instructor has 10 (ten)  
starter sets available. That way you can come and TRY  
the class before you invest in your own supplies.

Need a starter set? Sign up at the Membership Desk to  
secure your spot, otherwise bring your materials and be  
ready to make some new friends!!
