## **SERVICES TO HELP YOU IN YOUR HOME**

Join us as Susanne Whelan, Community Liaison for Comfort Keepers discusses private in-home care services and how services such as theirs can help you and your loved ones stay in their home.

All services provided by Comfort Keepers can be tailored to meet the specific needs of our clients. By forming trusting relationships, the staff at Comfort Keepers is able to heighten and improve every aspect of our clients' life – whether it be physical, mental or emotional. Comfort Keepers is honored to provide the aging senior community with the opportunity to live happy, fulfilling, independent lives.

**Box Lunch to be provided, RSVP AT FRONT DESK or call 412-520-7946 to ensure enough.**
