WELCOME TO SWIM LESSONS AT THE WCC!!

Welcome to the first lesson of the new swim session!! We hope that you and your family have an enjoyable experience. We wanted to start you out with some information for your reference and to make your experience memorable but also safe.

- **One** Adult is permitted on the pool deck per child during swim lessons for Preschool, School Age and Adult Lessons.
- For Parent/Child lessons you are allowed 2 Adults, **one** in the water and **one** on deck. The classes are too big now for more than one parent in the water. This is due to limited space in the waiting area of the pool.
- We respectfully ask that you **not** enter the pool deck until your class start time – as long as the previous class is out of the water. With limited space on the deck waiting area, excessive people can pose a potential safety risk. *Parent&Child-5:30/Preschool-6:05/SchoolAge1&2-6:40/SchoolAge3&4-7:30/Adults-7:30*
- You can enter the building early if you need to change, but please wait as stated above.
- In cold weather months the front desk staff will sign you up for a text alert system to let you know when it is time for you to come in for your lesson.
- **PLEASE**, we ask that there is no Video-taping of any kind in the class. Photos that contain a child that is not yours are also not advised. [This is a state mandated policy for child safety.](#)
- Please keep your child within arms-reach at all times here at the WCC.
- Please be respectful of others and keep language kid-friendly for the sake of our little guests.
- If you arrive at the WCC incapacitated, or have a smell of alcohol or marijuana, you will be asked to leave and will miss the current class and it will not be made up or refunded.

LOCKER ROOM USAGE:

We encourage the use of locker rooms to change your child / yourself before and after your scheduled swim lesson, but **PLEASE** use the correct locker room:

Moms + Daughters = **Downstairs** Locker Room

Dads + Sons = **Downstairs** Locker Room

Moms + Sons = **Handicap Room** inside with door shut

Dads + Daughters = **Handicap Room** inside with door shut

Children over age 3 in opposite gender locker-rooms are not recommended by county child safety laws and is an uncomfortable situation for our members.

Thank you for your cooperation!

PANDEMIC PROTOCOL:

During a Pandemic:

- ★ Temperature taken upon entry.
- ★ Mask to be worn the entire time you are in the building – including on the pool deck (but not IN the pool)

The front desk staff will let you know when these rules have been lifted.

Have a Great Swimming Session!!
