Dear [SCHOOL],

RE: Invitation for Student Nominations: Newham Deanery & Partnerships Young Journalist Team

I hope this letter finds you well. We are writing to invite your school to nominate high-ability students who may be interested in joining the **Newham Deanery & Partnerships Young Journalist Programme**. This initiative offers a unique opportunity for young people to develop their journalistic skills, contribute to the community, and gain valuable experience in a dynamic team environment.

The programme consists of writers, editors, and field reporters who work together to highlight community role models, success stories, and events within the Newham Deanery. By participating in this programme, students will enhance their writing, teamwork, and leadership skills, while building confidence in expressing their thoughts and opinions. This experience will also provide them with a platform to contribute positively to the local community.

The programme has received recognition and support from notable figures and organisations, including the Mayor of Newham, Rokhsana Fiaz, and organisations such as CAFOD. This endorsement highlights the programme's potential to amplify young voices and foster community engagement.

We believe that students from your school would greatly benefit from this enriching experience. The programme offers opportunities for personal growth, skill development, and the creation of a portfolio of work that can be beneficial for future academic and professional pursuits.

If you are interested in nominating students who you believe would thrive in this environment, please do not hesitate to contact us. We would be delighted to discuss the programme further and answer any questions you may have.

Thank you for considering this invitation. We look forward to the possibility of working with your students.

Yours Sincerely,

Olivea Ohonmele
Newham Deanery & Partnerships Youth Coordinator
