A New Way to Support Our AAUW Thousand Oaks Scholarships

AAUW Thousand Oaks is very pleased to announce the establishment of the **AAUW Thousand Oaks Education & Empowerment Fund**, created this summer in partnership with the **Ventura County Community Foundation (VCCF)**.

This new fund provides a convenient way for members, friends and community supporters to make **tax-deductible charitable contributions** to strengthen our local scholarship program. Administered by VCCF, a 501(c)(3) charitable organization, the fund will primarily support scholarships for deserving local students, particularly young women pursuing their educational goals.

The fund is **separate from our award winning STEM program Tech Trek**, which already has its own tax-deductible fundraising program. Our new VCCF partnership gives AAUW Thousand Oaks an additional opportunity to reach individuals, businesses and community supporters who believe in expanding educational opportunities for women.

Ways to Give

Donations may be made **online by credit card using the QR code below**, or by check payable to *Ventura County Community Foundation*, with "**AAUW Thousand Oaks Education & Empowerment Fund"** in the memo line.
