

Why Staging IN Home?

OUR COMPANY

Staging IN Home is a local, woman-owned staging company built on friendship, trust, and a love for design. Our hands-on approach ensures every home feels polished, inviting, and thoughtfully put together. We partner with you to sell your home, allowing your home-staging investment to be payable at closing.

WHY STAGE YOUR HOME?

We believe staging is more than making a home look beautiful - it's about helping buyers make an emotional connection to the home. Our approach blends thoughtful design with purposeful layout. By defining how each space functions and highlighting lifestyle possibilities, we reduce buyer hesitation and help homes stand out in a competitive market - both online and in person.

STAGING SERVICES

Our services include:

- Whole-Home Staging
- Partial Staging-highlighting main living areas, primary bedroom and bath
- Occupied-Home Staging
- Consultations for advice and guidance on preparing a home for sale
- Short-term rental design and furnishing

PROCESS

- Gather client needs and provide staging quote
- Identify install date, sign contract, and walk through/design planning
- Staging install day
- Schedule uninstall once property is pending and through inspections
- Option to pay at closing-staging usually costs 1% of the list price or less
