General Information

Vendors agree not to hold liable the council Members or agents of that council from any and all causes of action which may arise from the operation of the Farmers Market.

Vendors Responsibility / Rules and Regulations

It is the vendor's responsibility to know and follow the rules and regulations as set forth by the Farmers Market and other agencies (i.e., Health Department, Weights and Measures, U.S.D.A., and the Internal Revenue Service) regarding your produce, baked goods and value-added products. It is the vendor's responsibility to obtain all permits and to have them posted at their stand.

All vendors must complete and sign a vendor agreement and pay appropriate fees with the Sutton Farmers Market prior to selling.

Absence

***Vendors should notify the Market staff of an unscheduled absence. If you miss two Saturdays without notifying the Market staff, it is cause for loss of stall space.**

Please notify a Council Member of your season schedule or days you will not be attending to assist in keeping the market stall spaces filled and to aid in promotions and advertising.

Stall Space

***Vendors cannot share a stall with or sublet their stall to any other vendors at any time.**

Vendor stall is limited to a maximum of 14 feet wide.

Each vendor shall maintain a clean and healthful condition within his/her area and leave that area free of debris prior to quitting each market day. Each vendor shall remove his/her own garbage.

Vendor is responsible for all tables, chairs, shade devices, etc. The Market is not responsible for the safety or security of those items. Vendors are responsible for securing such devices against wind to insure a safe environment for other vendors and customers.

The Sutton Farmers Market will not discriminate against anyone because of race, color, creed, national origin, sex, age, disability, or sexual orientation.

The Sutton Farmers Market welcomes dogs provided that they are:

- Closely supervised by their guardians;
- Walked on short leash.
- Not aggressive to humans or other dogs.
- Not allowed to wander into stalls. This is a violation of code to Food Safety and Health Departments.

We expect that guardians will come prepared and will diligently pick up and properly dispose of their dog waste.

Produce

No vendor shall sell or offer for sale produce that does not conform to the Nebraska Department of Agriculture and Farmer's Market guidelines.

Of the produce grown, 90% of the product must be grown by the person selling that produce or an agent of said producer. Possible exceptions are out of season products that can't be locally grown or grown in large enough quantities to supply the market. (Fruits) Any and all exceptions are subject to Council approval.
