2024

BLAZING THE WAY THANK YOU 3MORROW FOUNDATION

BECAUSE OF YOU...

- A camper who has been in the foster care system for several years was able to attend camp for the first time and after the week said 'I can't wait to be a camp counselor!'
- A family was able to send their 3 children to overnight camp after their father tragically passed away in the beginning of the year.
- 44 overnight campers were able to participate in the full camp experience because transportation was provided and all of their camp essentials were given such as sleeping bag, water bottle, toiletry items, towels, and money in the camp store.
