YMCA

PLANTING THE SEEDS THANK YOU 3MORROW FOUNDATION

Summer Camp
2025

BECAUSE OF YOU...

- Five overnight campers from the foster care system, were able to be part of a caring and encouraging community here at Crosley.
- Three siblings who are recently being raised by a single parent were able to attend 3 weeks of Day Camp to help the parent navigate personal tragedies.
- Seven overnight campers, who are currently living in a shelter for victims of domestic violence were able to attend a week of camp.
- 56 overnight campers were able to participate in the full camp experience because transportation was provided and all of their camp essentials were given such as sleeping bag, water bottle, toiletry items, towels, and money in the camp store.
