Dear Scott and Emilie,

We are sincerely grateful to you for your recent contribution to The O'Connor House!

Thank you for helping us provide a home and critical resources to homeless, pregnant women and their babies & toddlers. Your gift positively impacts them in many ways, providing immediate help, gradual healing, and building hope for a better future.

Together our efforts are transforming the lives of young mothers, and creating generational change for children!

With the colder weather, the women are particularly grateful for a warm home to welcome their babies into! We recently were blessed with the safe and healthy arrivals of two more babies, and now our home is very busy with 4 newborns and also a toddler!

We are especially grateful to you for your prayers and support during 2020. It has been a difficult year in many ways, however we remember St. Paul's words, "Rejoice always, pray without ceasing. In all circumstances, give thanks..."

I welcome a time to connect with you so please feel free to contact me to set up a phone call or to go to coffee together. God Bless you!

With a grateful heart,

Michelle Corrao
