

# LOCKNCLIMB®

## Custom Helicopter Rolling Service Stands

- ❑ Fixed tool tray
- ❑ 3-sided safety cage
- ❑ Extra wide platform
- ❑ Structural steel frame
- ❑ Slip-resistant treads
- ❑ Full length handrail
- ❑ Extra wide first step
- ❑ Spring-loaded brake
- ❑ Hard rubber wheels

**90LNCTRLSTAND** affords a wide standing platform inside a safety cage to work on all high maintenance points on all types of rotorcraft with stability and safety. ANSI 14.7 OSHA 800 LB. \$6499.

The heavy duty welded structural steel frame is secured after rolling by a spring loaded jack foot assembly. Below is the extra wide fixed metal tray that keeps tools and parts handy to working area.

### Custom Options

Powder coated welded structural steel or 6061-grade structural aluminum frames • Wide platforms inside protective cage with bumpers • Tricycle or hard rubber wheels • Yellow safety handrails • Built in metal tool tray • Slip resistant platforms and treads • Made in the USA.
