

This is a voluntary project of the Greater Patchogue Historical Society. Patchogue was not surveyed previously when most all other areas of Long Island were inventoried. The Board of Trustees and officers of The Greater Patchogue Historical Society believe it would be beneficial to our community to have an inventory of all structures, historic and otherwise, so that we may better protect and preserve our beautiful community. Thank you for your interest and support.

## BUILDING-STRUCTURE INVENTORY FORM

FOR OFFICE USE ONLY:

(orig. Division of Historic Preservation,  
New York State Parks & Recreation)

SITE NO. \_\_\_\_\_

FORM NO. \_\_\_\_\_
