CSA? What is that? A weekly or biweekly bag of freshly grown produce that you pick up at the farm stand!

Tell us about yourself! We want you to be happy with your produce bag every time you pick up. So we give you a pack of cards. You will receive this pack in your name tag on your first pickup.

**Card 1 List 3 items you don't want Card 2 List 3 items you do want Card 3 list items you have allergies to
Cards 4 & 5 to be filled out during the CSA season of items you don't want
Cards 6 & 7 to be filled out during the CSA season of items you do want
Card 8 Vacation card so you don't miss a share!**

Disclaimer: Farming is not an exact science. Mother nature plays a huge role in availability and timing of growing crops. We will do our best to give you the best available variety of product each week. This availability is a selection of items you could receive that particular month. That doesn't mean that you get one of everything, or you just get one particular item we will mix it up as much as we can.
