

# C.S.A. stands for Community Supported Agriculture. A Farm Share!

It involves receiving a weekly or  
biweekly bag full of freshly harvested  
produce that you pick up from the farm  
on a Wednesday or Saturday.

Disclaimer: Farming is not an exact science, mother nature plays a huge role in availability and timing of growing crops.  
We will do our best to give you the best available variety of product each week. This availability is a selection of items  
you could receive that particular month. That doesn't mean that you get one of everything, or you just get one particular  
item we will mix it up as much as we can.
