

Bifen I/T and Gentrol IGR

1st Time mix 2 oz of Bifen I/T + 1 oz Bottle of Gentrol IGR with 1 gallon of water into a pump sprayer. Treat the interior of home along baseboards under kick plates in the kitchen, behind the stove, under the dishwasher, and behind the refrigerator. Treat the garage as well as the entire exterior perimeter of the home. (As for the exterior perimeter, spray 2 ft. up the wall of home and 2 ft. off the wall of home) also around the faucets, dryer vents, windows, eaves and anything that may be close to or touching the exterior of the home including; trees, brush, and plants etc.

Day 7, 14, use 1 oz. of Bifen I/T / 1 gal. of water, treating the same locations.

After the initial problem is taken care of, treat it once every three months.
