He cited health and wellness issues for residents and also Wisconsin Statutes that contain language that trails deserve the same kind of care as roads. WisStat §340 in general and specifically §340.01(5) and §346.02 (4)(a) and others. One suggestion was whether the Town of St. Joseph would send a request for winter snow plowing to the County. Janet Lindstrom will check on that possibility. Another was to provide feedback gleaned from discussions at various trail organization meetings to the decision makers.
