  - Mountain biking trails for both parks have been designed by professionals.
  - Trail construction is completed by the Wiki Mountain Bike Club with more than 3000 volunteer hours needed.
  - 3 miles of mountain biking trails will open in Kinnickinnic on May 15, 2021 and 3 miles of mountain biking trails will open in Willow River by July 4, 2021.
  - The Club's 5 year plan is for 25 miles of mountain biking trails in Willow River and 12 mile of mountain biking trails in Kinnickinnic.

- Reason for Sales Tax Increase – Information from Dan Hansen, County Board member, indicated St. Croix County had increased sales tax revenue in 2020, a pandemic year. Hansen provided a report that analyzed the reason for that increase for discussion.

Signage for the County's on road trail system continues to be put in place and the public is noticing.
