

Ronnie's Plumbing LLC

RONALD L. SEXTON

Licensed Master Plumber

Cell no: (352) 800-9600

PROFILE:

I have over thirty-five years of experience with over twenty years of management experience in the plumbing industry. I hold a **Master Plumbing License** in the states of Florida, Alabama and Tennessee and currently pursuing a Master Plumbing License in the state of Georgia. I can independently run a project from start to finish. I have been responsible for estimating and bidding various job plans. I can correct and change plumbing schematics as necessary, schedule and organize employees to ensure proper staffing, order and maintains all job materials, handles all job problems with G.C., Superintendent and Customers. I also have over 30 years' experience operating a backhoe, mini excavators and bobcat. As an experienced Plumber in both new construction and the service repair industry, I have been successful in all aspects of the plumbing industry. I pride myself on being dependable, honest and loyal, but most of all self-driven and self-motivated.
