

JANUARY 2026 NEWSLETTER

Greetings Heatherwood neighbors. I hope everyone had a wonderful Holiday season. The Annual Dinner was well attended, and everyone seemed to enjoy hearing all of the updates from the Board. I want to thank Greg and Cindy for their years of service and dedication to the neighborhood.

Thank you to Donna Klasing (the new VP) and Cindy Hunter for setting up the Caroling event in December. The singers were wonderful and everyone who attended enjoyed the songs, hot chocolate and goodie bags.

Our 2026 Directories were delivered in December. If you did not receive yours, please let us know. Thanks to Paul and Rena for getting these updated and printed.

The Board is in the process of interviewing new painting companies. We will keep you informed of any changes.

Lawn services are completed and the winter fertilizer has been done. Hopefully, we won't have to utilize snow removal as much as last year.

Remember to let Peggy Ferguson (913-713-9932) and Jo Warmuth (913-579-5773) know if you get or see any new neighbors so we can get them the welcome package.

If you are planning any outside architectural changes make sure you reach out to Ajit Sathe (ajit.sathe@gmail.com) for review prior to starting anything. Spring will be here before you know it.

Thank you to the people who reached out to me to assist on any committees. I will be giving your information to the Directors at the next Board meeting. It's not too late to volunteer.

The next Board meeting is on Monday, January 19th from 6pm – 8pm. If you are interested in attending, please let us know.

Sincerely,
Sandy Jameson, President
