Subject: Villa Voting Results

Flash Email

Final ballots have been counted and recorded at the Johnson County Courthouse.

Both issues - to restrict villa owners from renting their homes (with some exceptions related to illness or employment) and the prevention of overnight parking of commercial trucks - passed with the required two-thirds majorities. Both of these restrictions apply to all 194 homes in Heatherwood now.

Our thanks to our Parliamentary Committee, headed up by Charlene Osborn, and assisted by Mary Ann Adams and Mark Allred, for their hard work and dedication in successfully seeing these important issues resolved.
