Greetings from your Heatherwood HOA Board! Happy Father's Day and Flag Day!

Next event is our neighborhood is visiting your friends & neighbors!

Nothing else planned till fall and we'll have neighborhood gathering at the end of Newton and 149th street, in front of Cathy Hinkle's house!

Thank you Ajjit Sathe and Harish Kumar for chairing the sidewalk Mud-Jacking project this year! We improved another five uneven sidewalk spots. Last year Steve & Annette Glary started this effort and fixed five of the worst low sidewalk spots in the neighborhood. I really appreciate this project since so many of our residents walk and take their dogs on walks! Thank you all, good work!

Thinking about a new roof, deck or other outside changes? Please contact Architecture Chairman Ajit Sathe at his contact email ajit.sathe@gmail.com for questions about HOA approval for fences, decks, room additions, roofs and any other exterior work!

Last Word... watch for some updates from our Garden Club, maybe something new coming to our neighborhood entrances on 149th St. and Floyd St. with new planters.

Have a safe and relaxing summer, see you around the neighborhood!
