

FEBRUARY 2026 NEWSLETTER

Greetings Heatherwood neighbors. I hope everyone survived the most recent cold snap. However, on the positive side, we have warm weather on the way for a few days.

Wanted to remind everyone that Christmas lights needed to be removed from your home no later than January 31st. Would appreciate it if this could get completed.

The Board is still in the process of interviewing new painting companies. We will keep you informed of any changes once we have something finalized.

Remember to let Peggy Ferguson (913-713-9932) and Jo Warmuth (913-579-5773) know if you get or see any new neighbors so we can get them the welcome package.

If you are planning any outside architectural changes make sure you reach out to Ajit Sathe (ajit.sathe@gmail.com) for review prior to starting anything. Spring will be here before you know it.

It's still not too late to volunteer. The next Board meeting is on Tuesday, February 10th from 6pm-8pm.

If you are interested in attending, please let us know.

Sincerely,

Sandy Jameson, Heatherwood HOA President
