BROADLY ADAPTED PRODUCT WITH STRONG DROUGHT **TOLERANCE**

- Strong stalks and late-season plant health provide very good harvestability
- Solid agronomic characteristics for consistent performance
- Very good dual purpose hybrid

Performance By...

G98L17 performs extremely well across all soil textures, including stress acres. Performance is best at grower-standard planting populations (31,000-34,000 plants/A). G98L17 is an excellent choice for continuous corn and rotated acres.
