The Frank Gladd American Legion Post #20 needs more room to operate our large number of veteran and community-supporting programs, and this building is the perfect solution for our needs. This wonderful building, built in 1940 by the WPA, served as Fort Gibson High School until 1970. However, it is in major need of repair. Post #20 supports activities in our community such as patriotic school programs, Halloween safety, American Legion baseball, the Legion Outdoors, community service projects, and much more. We seek to assist and honor all veterans, including supporting special non-profit organizations such as Wreaths for Fallen Heroes and Trail of Honor Flags, Inc. The Rock Event Center will allow us to expand our support across the community, and we ask for your financial support to make this dream manifest.
