2019 Sweet Corn Festival

The Town of Fort Gibson has transferred ownership of the Sweet Corn Festival to Frank Gladd American Legion Post #20, Fort Gibson, OK. The post plans to operate the festival at the highest level of professionalism and build upon the efforts that the Town has accomplished over the past ten years and take the Sweet Corn Festival to the next level.

To accomplish this ambitious goal, we need your financial help. We need sponsors to step up and provide the financial backing needed to insure the success of the Sweet Corn Festival.

The purpose of the Sweet Corn Festival is three fold. The primary purpose is to bring economic activity to the Town of Fort Gibson to benefit the merchants and residence alike. Secondly to provide much needed income to Frank Gladd Post #20. The income derived from the Festival will be used to expand our work with children and youth, American Legion Boys State and Girls State, patriotic school programs, Halloween safety and American Legion baseball are just a few of the programs we participate in. Finally to highlight tourist opportunities in Fort Gibson to ensure Sweet Corn Festival attendees return to Fort Gibson to enjoy other local attractions.

The membership of Frank Gladd American Legion Post #20 is well known throughout the community for their efforts in community service and fundraisers such as our monthly breakfast and catfish fry. This post has grown in membership and has exceeded their all time high in membership for the last six years, we are now committed to seek greater opportunities to make a difference in our community.
