### "Walk a mile in my shoes!"

Adopt A Mile  
Monday, October 13th  
CR 220 Clean Up  
General Geiger Highway  
Middleburg, FL

Fueled by a hearty breakfast at Grumpy's, a small but dedicated group of Detachment members set out early this morning to participate in the highway beautification project along Route CR 220.

The team worked together on the busy highway, moving at a steady pace of about one mile per hour. Despite the fast-moving vehicle traffic and the limited number of volunteers, the group managed to clean one side of the highway for a distance of two miles±.

The progress was slower than anticipated due to the small size of the group and the challenging traffic conditions. With greater participation from the membership, the project could have achieved even more substantial results.

## Commandant's Corner

Greetings all,

This year is moving quickly, and our operations are picking up. We will need member support for several activities in the coming months, starting with the Toys for Tots campaign, which just launched. Tom Lewnes welcomes any assistance.

We have launched the Gen Roy S Geiger Golf Tournament and need help securing sponsorships, gift cards, and assistance on tournament day, 7 November. Scott Westervelt could use extra hands—this is an important fundraiser for us.

George Cater has started our highway clean-up—please check for sign-up sheets to join in.

The Fall Conference at Hyatt Place Tampa Wesley Chapel in Lutz, Florida included PDP classes and provided updates regarding the department's status in Florida.

The Marine Corps Ball will be held on November 8th. Please purchase your tickets and make arrangements to attend as we celebrate our 250th birthday.

The next month's meeting will take place at Watson Realty (153 Blanding Blvd) on November 19th. Mission BBQ will provide a meal prior to the meeting.

Our color guard has multiple upcoming presentations, and we welcome the addition of new members to our team.

Several members and their families are unwell; please check on them when possible and keep them in your thoughts.

As a final note, please be mindful of children who will be out on Halloween at the end of this month.

God bless be safe.

Commandant PDD Fred

## Welcome Aboard Thomas Deem!

Our Detachment continues on its growth spurt with the addition of a new Associate Member.

Although Thomas Deem has not served in the military himself, he holds veterans in the highest regard. His dedication to supporting our mission is evident through his strong family ties to the Marine Corps League. Both of Thomas's brothers are actively involved in the Daytona Detachment, contributing their time and effort to the organization. Furthermore, Thomas's brother Mike serves as the District 11 Vice Commandant, underscoring the Deem family's ongoing commitment and leadership within the League.

Several of our "Share Knights" gathered to accept a generous \$569 donation check from Culver's Manager, Jaydynn Garza. This contribution reflects the local community's support for our organization and the ongoing partnership with Culver's.

As we reflect on the effort and outcomes associated with these fundraising nights, it is essential to consider whether the benefits justify the work and fun involved. Based on our experiences and the results we have seen, the answer is yes. The support and contributions received demonstrate that these events have a meaningful impact and are worth the commitment required from our membership.
