Pedal for Impact

June 13th - 28th, 2026

Green Cove Springs to DC

A hearty oooorah to Casey and Ashton Kroner for their epic endurance bike journey from Green Cove Springs to Washington DC! Naturally there had to be a stop at Parris Island and the Marine War Memorial.

Our Mission

Improve cancer outcomes for veterans and their families by connecting people, expanding access to trusted resources, and strengthening awareness around earlier detection and support.

We work to reduce barriers that can delay diagnosis, address gaps in awareness, and help ensure veterans are not overlooked because of age, assumptions, or fragmented systems of care.

Commandant's Corner

Greetings,

I would like to say thank you to Steve and all the volunteers for your hard work and dedication to the Rose Program. It is because of all of you that we were able to collect \$697.00 in donations. Your time and dedication have made the program a success.

I hope everyone had a safe and enjoyable Independence Day celebration. This year was especially meaningful as we celebrated the 250 th anniversary of our nations founding. Here's to honoring our history, celebrating our freedom and looking forward to the future together. I noticed everyone still had all their fingers!

I have some important news to share with our members. The new owners of our building have decided not to renew our 5-year lease agreement. Instead, we have been offered a one-year lease rent free, which means we must vacate our current location by 30 September 2027.

While this news is disappointing, it also marks the beginning of a new chapter for our detachment. Over the coming months, we will be working to find a new home, with everyone's help, where we can continue serving veterans. We will keep everyone informed as things develop. With everyone's help, this move will be a successful move.

On this pup-tacular day in history, after bravely wagging through the tail-wagging trials of advancing from Military Order of the Devil Dogs ("MODD") Pup to Devil Dog, we're thrilled to bark out that Devil Dog Jack Campbell and Devil Dog Johnny Thomas have earned their snazzy Red MODD Collar!
