Knit Along Thursday

A great Summer Sweater to Make – **Eastman** by Berroco Design Team

This simple summery tee is knit in pieces with a charted textured stitch pattern, and a curved neck. The texture pattern is knits and purls but gives the sweater a fun look to mate with any summer outfit! A great sweater for the cool mornings or evenings and can be made in a DK weight yarn. The suggested yarn is Corsica but it would be great in Remix Lite, Silky Wool or Fiora (for a bit heavier sweater). Come and join us in another super project.

Yarn	35	38 ½	42	45 ½	49	52 ½	56
Corsica	5	6	7	8	9	9	10
Remix Lite	2	2	3	3	3	3	4
Silky Wool	4	5	6	7	7	7	8
Fiora	3	4	4	5	6	6	6
