

## Mo's Yarn of the Month

Each month Got Your Goat will be featuring a specialty yarn we don't normally carry. Quantities are limited to what we have in stock. When it's gone it's gone so be sure to come in early to check out what's available. Get an early start on your Christmas gifts.

For October we have beautiful ***June Cashmere*** yarns.

This luxurious three (3) ply laceweight (50g) 100% Kyrgyz Cashmere is perfect for that special cowl, scarf, or hat.
